KIZHAKKEPURAYIL, KANNAPURAM, CHEMMARAVAYAL
PO: MOTTAMMAL 670331, KANNUR , KERALA

Career Objective

Looking for opportunities in a socially committed environment to explore and improve my skills.

Laravel & Backend Development

Experienced in developing web applications using Laravel, Core PHP, and CodeIgniter frameworks. Proficient in implementing MVC architecture, Eloquent ORM, Blade templating, routing, middleware, and RESTful API development. Skilled in authentication and authorization systems, form validation, database migrations, seeders, and Artisan commands. Experienced in integrating third-party APIs, email services, file uploads, and image processing using packages like Laravel Sanctum, Socialite, Intervention Image, Laravel Excel, and DomPDF. Strong background in database design and management using MySQL and MongoDB, along with developing dynamic features using AJAX, JavaScript, jQuery, and Bootstrap for responsive user interfaces.

Areas of Interest
